

2010 UCR Program Update

The Unified Carrier Registration (UCR) program is a federally – mandated, state- administered program. The Federal Motor Carrier of Safety Administration (FMCSA) has not, as of 11/17/09, finalized the fees for the 2010 registration year.

We expect these fees to be finalized in the next 2-3 weeks. Since applications will be going out late, UCR enforcement will begin approximately sixty (60) days from the application mailing date, which we hope will occur around the end of November. Until that time, the 2009 UCR receipt will stand as proof of compliance.
